

## THE VAN TRAN CVBF MEMORIAL BURSARY PROGRAM

CVBF is proud to announce the establishment of the Van Tran CVBF Memorial Bursary program. This program has been established to honour the memory of our dear friend Van Tran and her dedication to this Foundation. At least 2 bursaries valued \$500 each will be awarded at the annual CVBF fundraiser usually held in September, starting this September 2020.

This program is aimed at members of our Vietnamese community who are actively participating and contributing to the betterment of our community while concurrently pursuing their post-secondary education. Applicants are free to submit themselves or can be nominated by a peer/community member. Our criteria are broad and are as follows:

- *Demonstrates active participation in community efforts, either with the Vietnamese community directly or as a member of our cultural community contributing to the community at large.*
- *Currently enrolled or entering into any post-secondary institutions in Alberta with adequate standings.*
- *Have an overall vision of their lifelong goals with continued efforts towards community and global efforts.*

*Applicants are required to apply by filling out our application forms and providing references as well as a short couple of paragraphs describing their goals and visions. The application form is attached or can be found on the CVBF website.*

We hope that Van Tran's memory and spirit is sustained through this program and that we honour her life with meaning and contribution to further individual futures.
